

## What is the Orchard Morris Project?

The Project has been launched to run a series of one day Morris dance workshops in Surrey. The aim is to encourage people to have fun and to take something away to share with their friends. Adults of any age are welcome.

Instructors and musicians from some of the best teams in the South East will be available to run each workshop. No previous experience necessary. You don't have to dance with any regular Morris Side. You can come as an individual or bring some of your friends.....

This includes some dances from the Moulton Morris repertoire which they will be sharing at the workshop today.

The day will be split into two parts with a workshop in the morning at Brockham and a relaxed “Spring Equinox” dance tour around Dorking Town Centre in the afternoon.

Open to men and women over 18.

## Morris Workshop & Spring Equinox Tour

### The Rampant Rooster Morris

This is a two-part event with a workshop in the morning at Brockham Village Hall, followed by a short "Spring Equinox" tour around Dorking town centre after lunch. The aim of the workshop is to have fun and learn a new dance to perform around town in the afternoon.

The morning workshop will be led by members of Rampant Rooster Morris and will be paced to meet the needs of those attending. We will then go into Dorking for lunch and the afternoon tour where we may be joined by other local Morris teams. There may be some "Apres Morris" frolics in a local hostelry after the tour. Comfortable clothing and trainers recommended.
